

Ceramic Paving Bricks

- *Memorial of a loved one*
- *Tribute to your loved one, family, business, school, teacher or graduating class*
- *Immortalize your business, organization, birthdays, anniversaries and reunions*

Memorials of inscribed brick are meaningful and grow in significance with the passage of time. The importance of people, places, dates and times aren't lost to future generations, but are preserved for them.

Experience the pleasure of seeing your name or that of a loved one memorialized in the paving bricks at the Memorial Entrance to the First Federal Gallery of The Historic State Theater Complex.

The Historic State Theater
209 West Dixie Avenue
Elizabethtown, KY 42701

The Memorial Entrance at The Historic State Theater Complex

The Memorial Entrance at The Historic State Theater Complex is an inviting entry to the First Federal Gallery under the small marquee, providing direct access to all events.
